

# STILL HOPE NEWS LETTER SPRING 2020

Greetings in the name of our Lord and Savior, Jesus Christ!

We trust all is well with you and your loved ones. Covid-19 has placed a strain on everyone and we all are feeling the affects of this horrible virus, some worse than others. May the Lord keep you and yours safe during this pandemic.

We want to share with what **Still Hope** is doing to bring some relief during this pandemic. We have organized three food distributions in the past thirty days. At this moment, we are organizing another distribution this weekend that will reach even more desperate folks in the community. With the current situation things have gone from bad to serious crisis. We are thankful for the financial support of our donors and for the manual labor of those willing to volunteer in Kenya to carry out the distribution.

## Nairobi Slums Food Distribution

Last month we purchased a motorbike, thanks to an anonymous donor who gave a gift to help make this possible. The motorbike serves to help with the distributions to our widows, elderly, guardians and home based children and is quite economical. Many live in areas that a normal vehicle cannot go.

## Motor Bike Purchase

Still Hope

We have expanded our ministry to a widows/elderly outreach that will continue on a monthly basis. At this time, there are twenty recipients in the program that will receive monthly. We hope to add more to the program as funding increases. This is in addition to our orphan care.

### Widows/Elderly Outreach

The Still Hope children are doing well. They, like the kids in the USA are home and on lock down. They are “home schooled” at this time. They send their love and appreciation to their sponsors and donors.
